

Time Timer Watch PLUS Sizing Instructions

The illustrations to the right are actual-size representations of the small and large sizes of the Time Timer Watch PLUS. If you'd like to see how the watch will fit on your wrist, simply print out this page, cut out the watches and try them on!

Here's what to do:

- 1 Print out this page. Confirm that your printer is set to print the page at 100% scale!
- 2 Grab your scissors and cut out one or both of the watches.
- 3 Try it on! Feel free to use a small piece of tape to hold the band together.
